The Panthers had a very successful season. The highlights included an upset over Scappoose and a thriller over Camas. In league play they chalked up three impressive wins against their only two losses.

The key to the Panther success was an excellent offense. The Panthers proved they could pass as quarterback Lonnie Tipton gained over 1000 yards through the airways. Tipton's performance earned him All Trico honors and the Most Inspirational player from his teammates.

Favorite targets of Tiptom were Tim Hagensen and Doug Cox. Hagensen was the leading scorer and was the Panther representative in the Lombardi award contest. He was also an All Trico performer and team captain, along with Tipton. Cox, the league's best deep threat, was a second team All Trico selection.

The Bulk of the running was carried by Seniors Jerry Green and Kent Krause. Krause earned second team Trico honors for his performance. The key to the offense were the linemen. Juniors Joe Leeds and Brent Drake anchored the Panthers in the Pit. Leeds earned an honorable mention while another lineman, Mike Peake the Mr. Hustle Award.

Cross Country

Washougal's young Cross Country team had a fair season as they earned one first, three seconds, and three thirds. Highpoint of the regular season was a victory over neighboring rival, Camas. At District, they ran their way to a 9th place in the team standings. Highest placing individual, was captain Jeff Nickel who placed 13.

In the Trico League tournament the wrestlers took 1st place as a team with 5 individual 1st and 6 2nd places. The Regional tournament went fairly smooth with Washougal taking 1st and scoring 126½ points, that was 29½ ahead of nearest team and highest ever scored by a team. Stefan, Nickel and Drake took 1st While Whitmire, Stencil, Sanders, and Roth took 2nd. In the State tournament the team took 7th place and scored 37½ points. That was 1½ points away from 3rd. The Panthers posted their all time best record of 24 wins against 3 losses. The Panthers were famed for a stingy defense and balanced scoring. The highlight of the regular season was a one point victory over Scappoose in the Scappoose Christmas Tournament. They breezed through league play unscathed and entered the District Tournament with a 20-0 record. The Panthers took their first two contests but lost a controversial third game to a tough Morton five. They came back to rout Yelm to finish third. In the first game at the State tourney the Panthers were their winning selves. However the Panthers couldn't get untracked in the next two contests, eliminating them from the tournament. Leading scorer was Tim Hagensen. He set school scoring marks for season and lifetime. Hagensen was on the All-District and on the All-Trico team with leading Panther rebounder Tim Wysaske and Senior Lonnie Tipton. Dan Frosh was selected for second team Trico Honors while Jeff Kinart received honorable mention.

Track '74

This years Track Team was small in number which made it real hard for them to compete in the big Trico League. They did win one dual meet though and there were some personal achievements too. Doug Cox won the Low Hurdles in the coveted Track Meet of Champions and he also topped the school record held by big brother Dave. The Gourley Brothers also came up with some good stuff as Dan won the Trico championship with a jump of 21 feet and threw the javelin over 150 feet. Gerald took a third in the pole vault also in the Track Meet Of Champions.

Coach Pettyjohn takes time out of his busy day for a picture.

Panthers Retain State "A" Title

ABOVE: Patty Hansen and Judy Amundson sit back just waiting for a bat or helmet to retrive.

Washougal's amazing Panthers collected their second straight Class A high school baseball championship by knocking off Carroll of Yakima 2-1 before a good-sized mob at Parker field in Yakima last Friday.

The tension-packed title victory boosted Washougal's final season record to 22 wins, 1 loss and improved their two-year mark to 43-3.

The intensely waged championship battle capped a tough week for the panthers who had to score a pair of triumphs in the regional playoffs on Wednesday and had only one day off before facing Carroll for all the marbles.

But that didn't stop the Panthers. Right-hander Jerry Green chalked up his 11th win of the campaign - even though he hurled the game with only about 50 hours rest - and struck out 13 in leading the Panther charge to victory.

This years Golf Team under the leadership of Chuck Quinn proved to be rather impressive as they rolled to the Southern Division Crown in the Trico League. With Bob Craig and Bill Smead sharing the bulk of the top man position. They were doing great until they had a bad day and it happened to be the Trico Championship match, where Woodland beat them handily. The captain this year was Russ Foster.

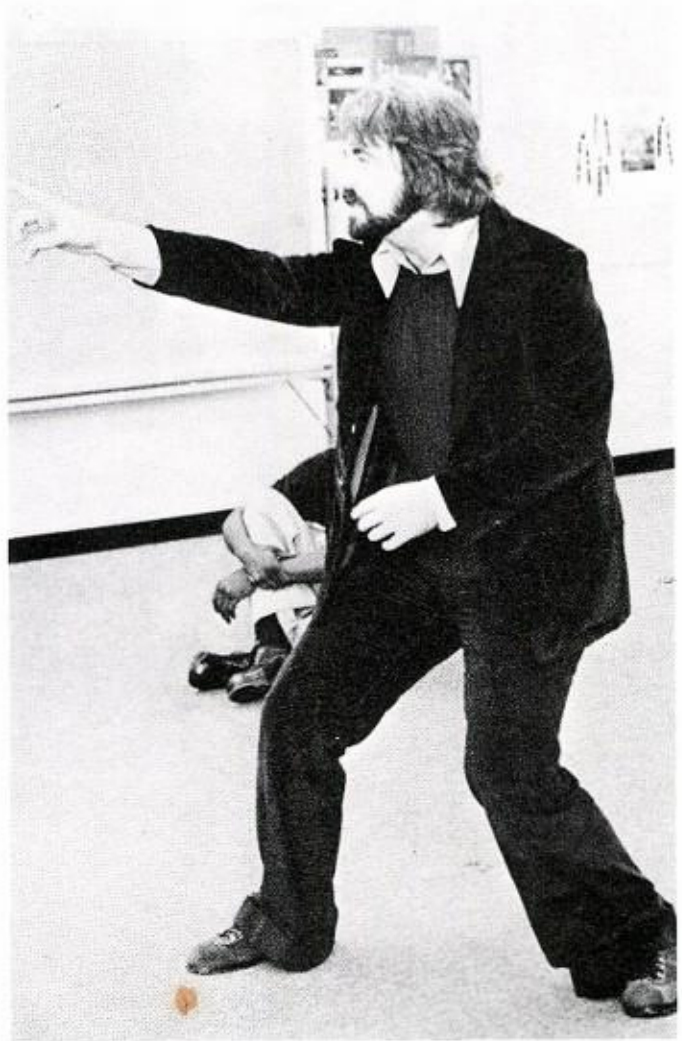
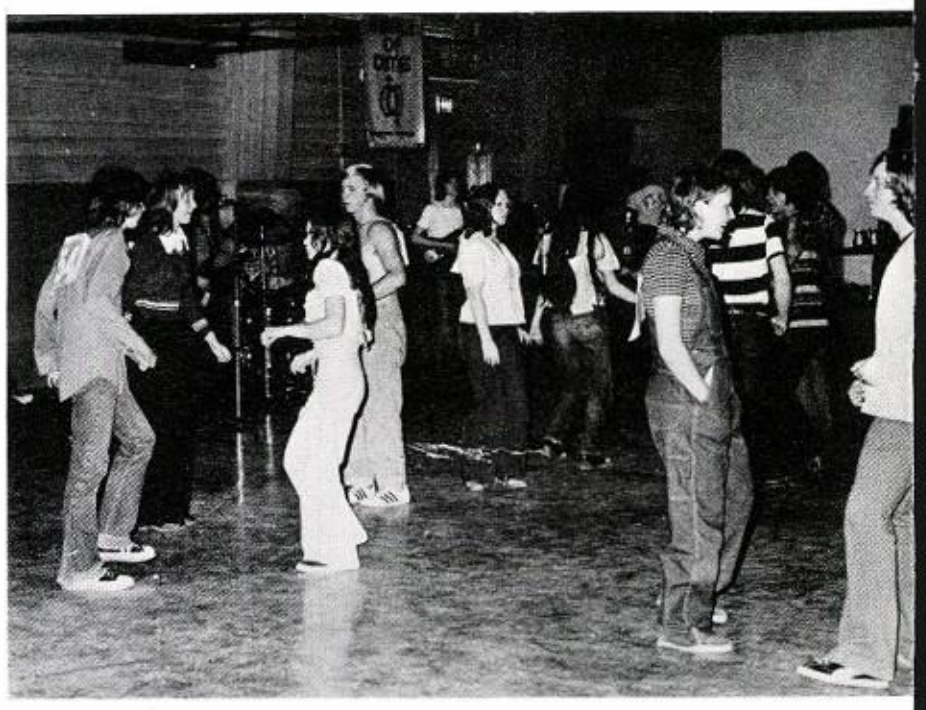
A.S.B.

Recognize them? A.S.B. Officers, as seen last year! TOP ROW (LEFT TO RIGHT) Tom Jendro, Business Manager; Pat Thompson, Vice Pres.; Mark Koester, Pres.; BOTTOM ROW, Kim Mabry, Treas.; Barb Smead, Soc. Chairman; and Judy Johnson, Sec.



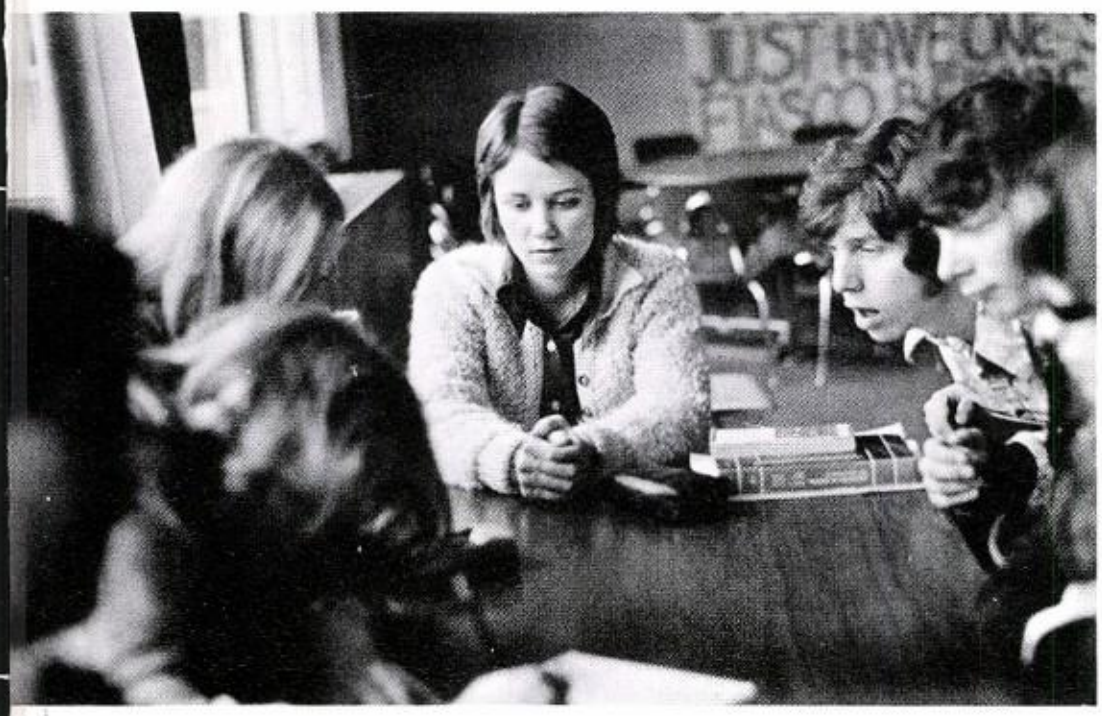
A.S.B. funded Shakespearean actors from Ashland give excerpts from well known plays.

This years A.S.B. officers were very hard working and persistent. They kept a busy schedule and brought many changes to the school. Their first big job was to organize the homecoming dance. It was very well organized and everyone will remember the long hours spent at night to get the dance set up. Their next task was to whip the Student Council into shape so something could be done. They had many ideas about what could be done to improve the conditions in the school. The A.S.B. officers had a very successful year they accomplished all but one of their ideas.



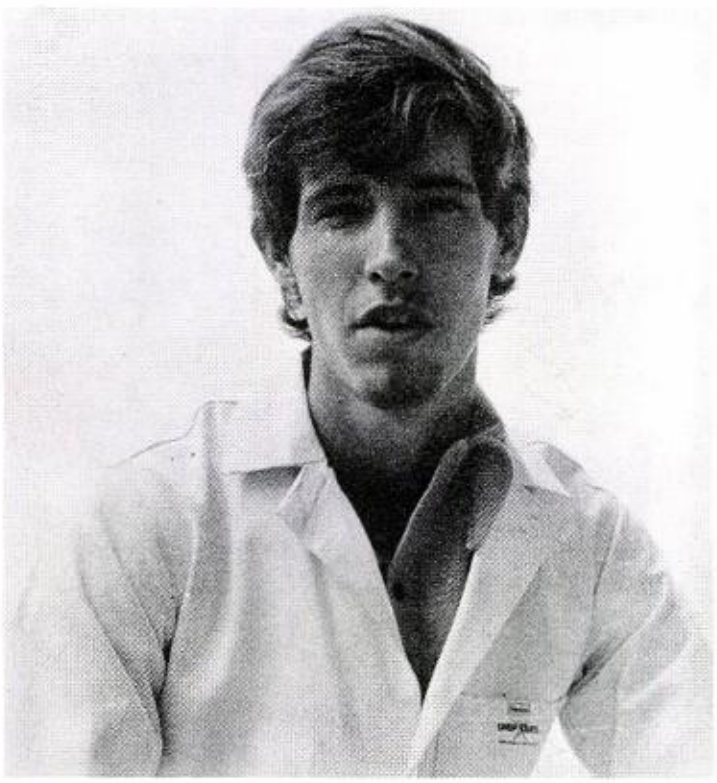
The Dance Marathon was a smashing success raising money for the March of Dimes.

Student Council



Students working on a smoking area proposal.

While it is the A.S.B. officers who consult the administration and negotiate the final drafts of such things as smoking areas and student courts, it is the Student Council that gives its approval for such things as the above. It is usually said, if you don't want anything to be done, send it to a committee. That saying did not hold true in this case. Of the dozens of committees formed, only one was not successful. Thanks to committees made up of responsible people who do not pass the buck major accomplishments such as the smoking area and the student court were made. Useful experience was gained when A.S.B. officers council members, and interested students attended numerous school board meetings to present the Student Council recommendation of the Smoking Area.



Mark Koester, A.S.B. Pres. provided outstanding leadership and humor to the student body.

Before the year even started they spent many hours preparing and practicing for what would be a memorable year for each of them. In August they all went to a cheerleading camp and learned new cheers and songs. We are all proud of our Rally Squads of 1973-74!

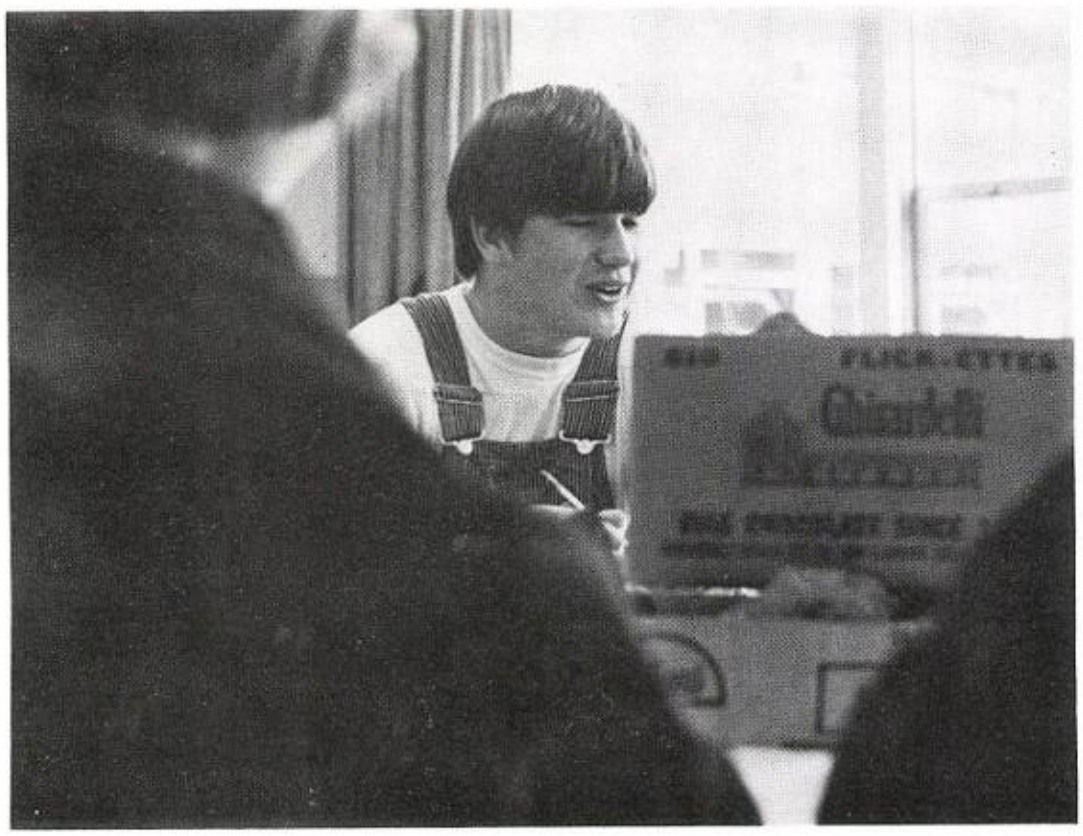
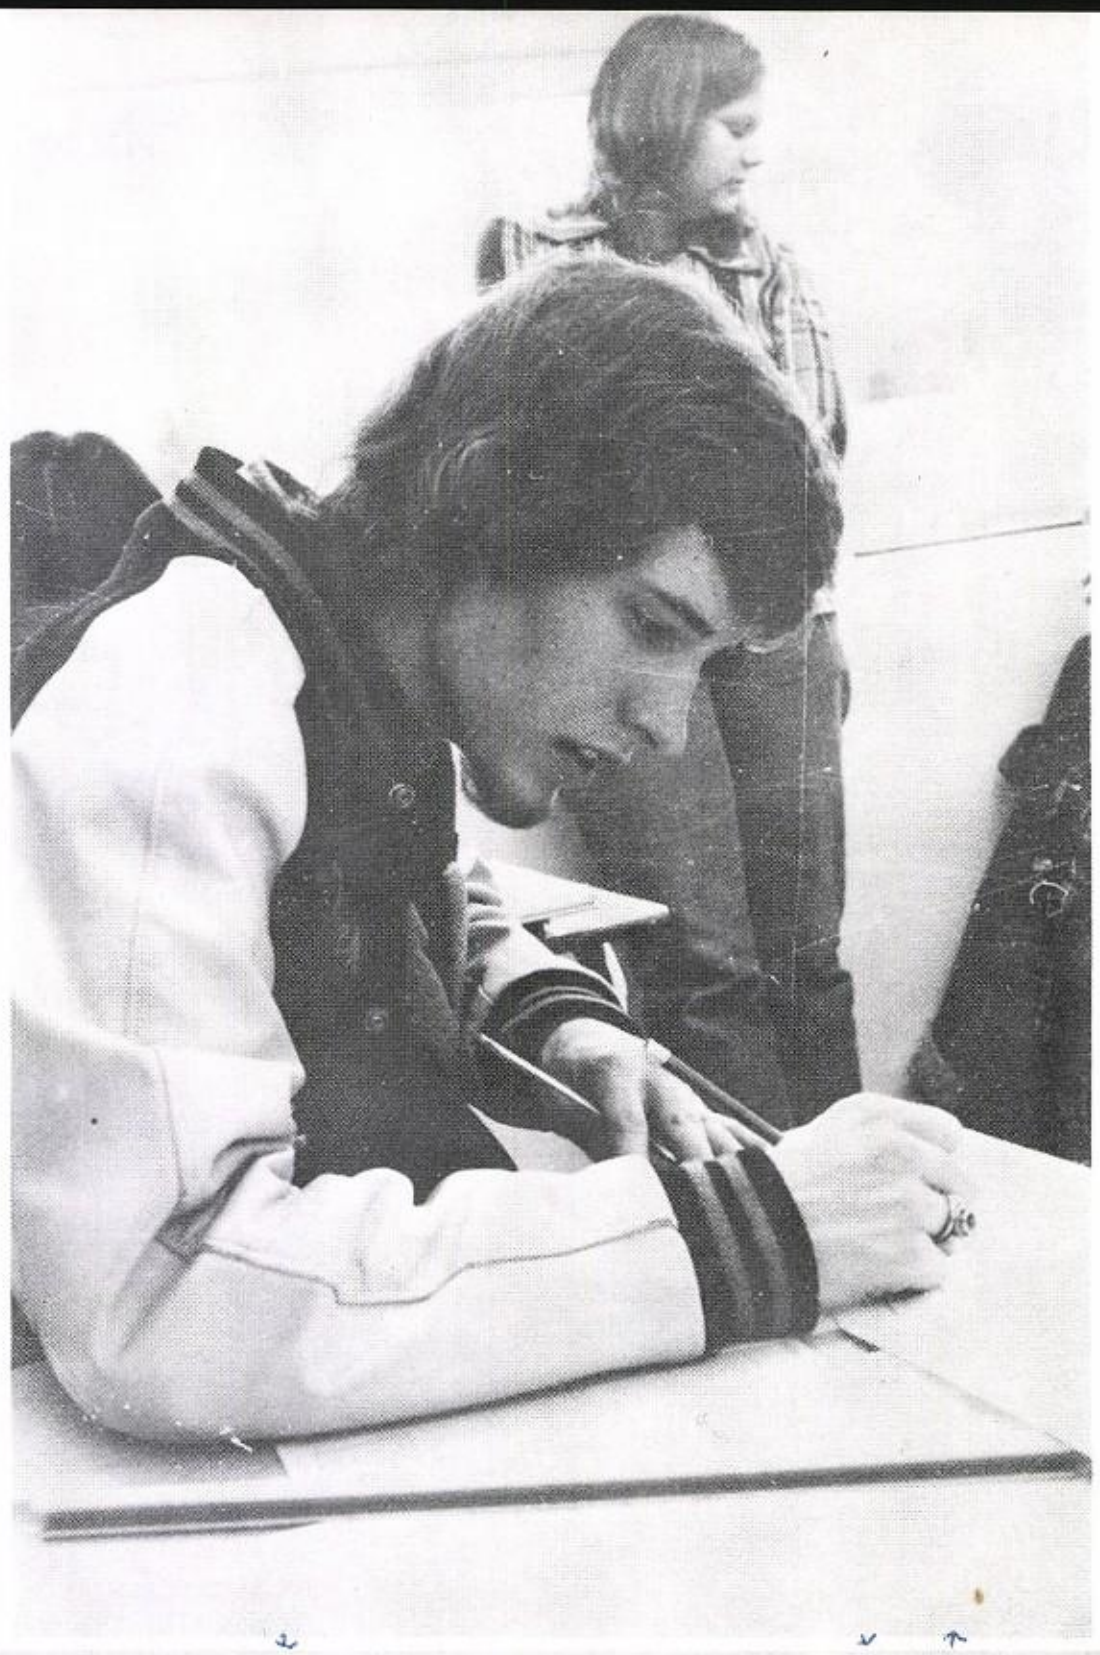
Last period was our time to work but as it goes last period is not the most productive time and once again we did not meet one of our deadlines. We did have more time to think though and came up with snappy green ad pages and a new cover design.



Tom thinks about it and then decides it might be to much.

Bob Pathrath shows how it should look some how ours never came out that good.

Annual?



Mark Koester tries to get something done but is not to successful as Dede Winders stands in the background.

Dan Sanders received the best looking woman award.

Despite popular opinion there were no Body Lice in the hay bales.

T.V. Tech. Class

A couple of Second period students pick up some pointers from Alumni student Bob Garland.

Despite the gas problem and all the other things that could happen this years A-V Tech Class lead by Mr. Pontes made it on two field trips. The first one was to a communications contest where we entered a video tape, ours was a news show and our only competition was a variety type documentary, it seems the judges were partial to the variety type shows as we took second. The next trip was to channel two in Portland where we were shown how it was suppose to be done.

Bruce Bedell a past member of the class throughs out a few pointers to Mark Koester as they get hands on experience.

Mr. Pontes is caught with a mouth full at Mr. Hood Community College where the Communications Contest was held.

SENIOR MEMORIES

The staff of "Panther Tales" would like to bring back a few of those treasured memories from Gause School to this year's Seniors. How many of these teachers can you remember? (Answers to quotes at bottom.)

1. "One more word out of you, and POW! There's the door!"
2. "Bend over and grab your ankles!"
3. "I had a fantastic girls' softball team that year. . ."
4. "The front row is the "A" row, and the back row is the "F" row."
5. "I may be fried someday, but I'll never be rich."
6. "All righty boys!"
7. "No, today is P.E.! Tomorrow is Health!"
8. "You left-handed flabberap out in right field!"

(Answers: 1-Mr. Freidrich, 2-Mr. Garrett, 3-Mr. Allen, 4-Mr. Allen, 5-Mr. Friedrich, 6-Mrs. Groth, 7-Mr. Garrett and Mrs. Snyder, 8-Mr. Allen)

Now to really challenge your memory, see if you can think back to these memorable events when:

Mr. Garrett made several of us clean up the school because we threw snowballs;

Our class started the "Husky Hot-Line;"

Mr. Friedrich held the record for kicking kids out of class;

You might have been the Mystery Boy or Mystery Girl in the Husky Hot-Line;

17 Cape Horn-Skye students came down and joined our class in the eighth grade;

Randi Wilson was enrolled in boys' P.E. in the eighth grade;

The Liberty Theater and the roller skating rink were the only places to be on Friday nights;

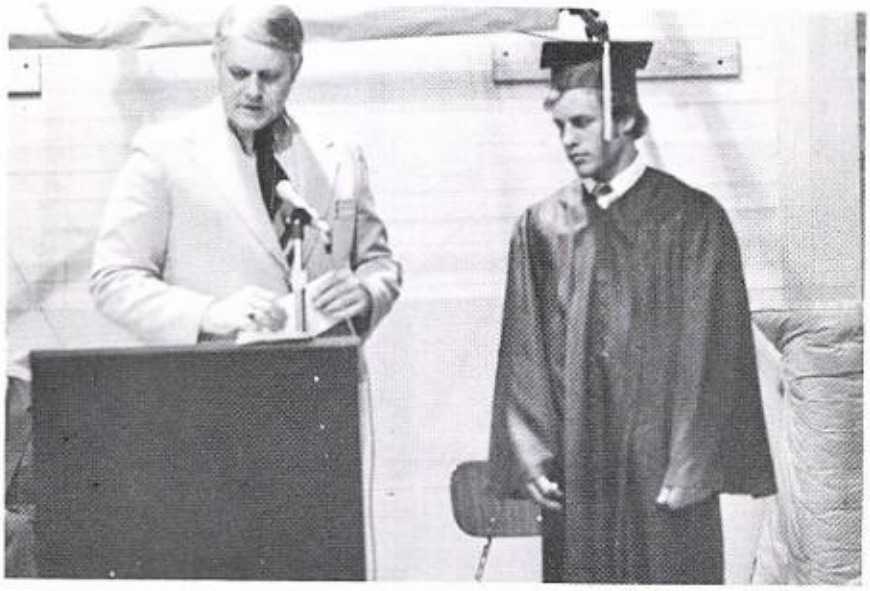
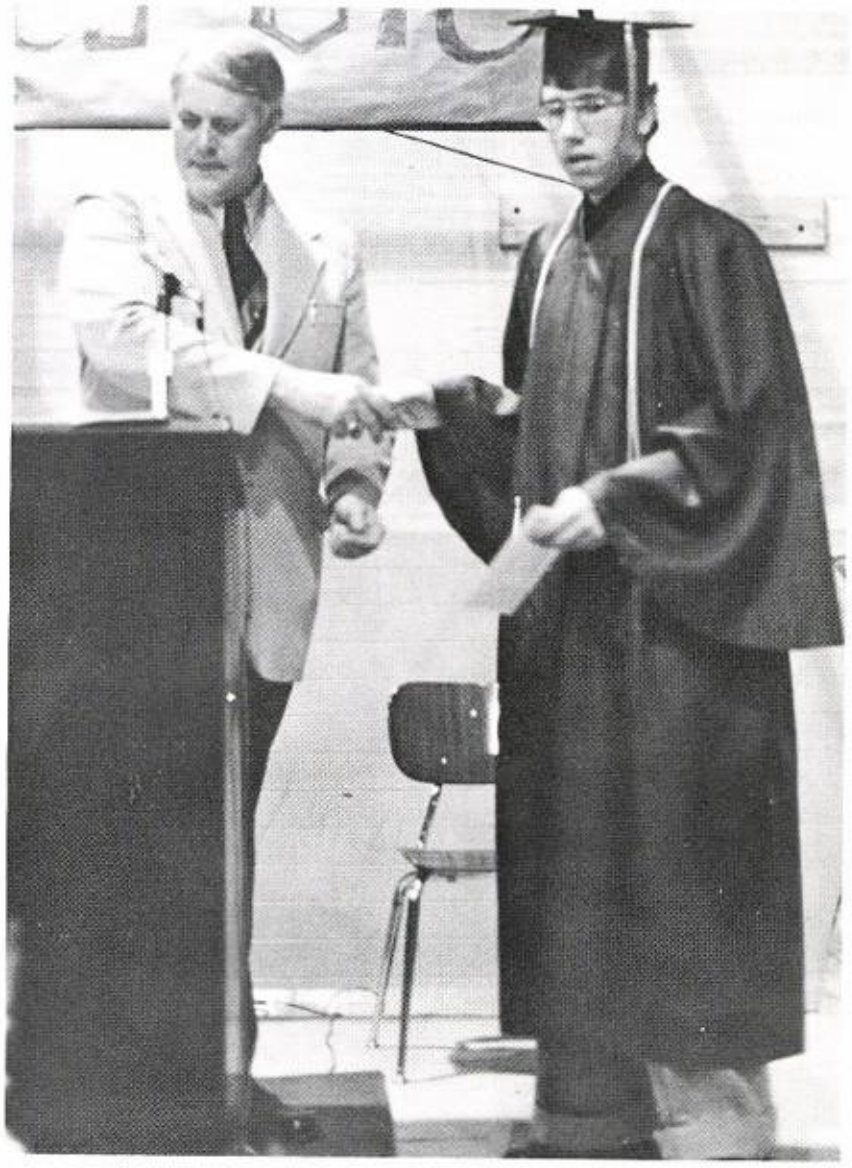
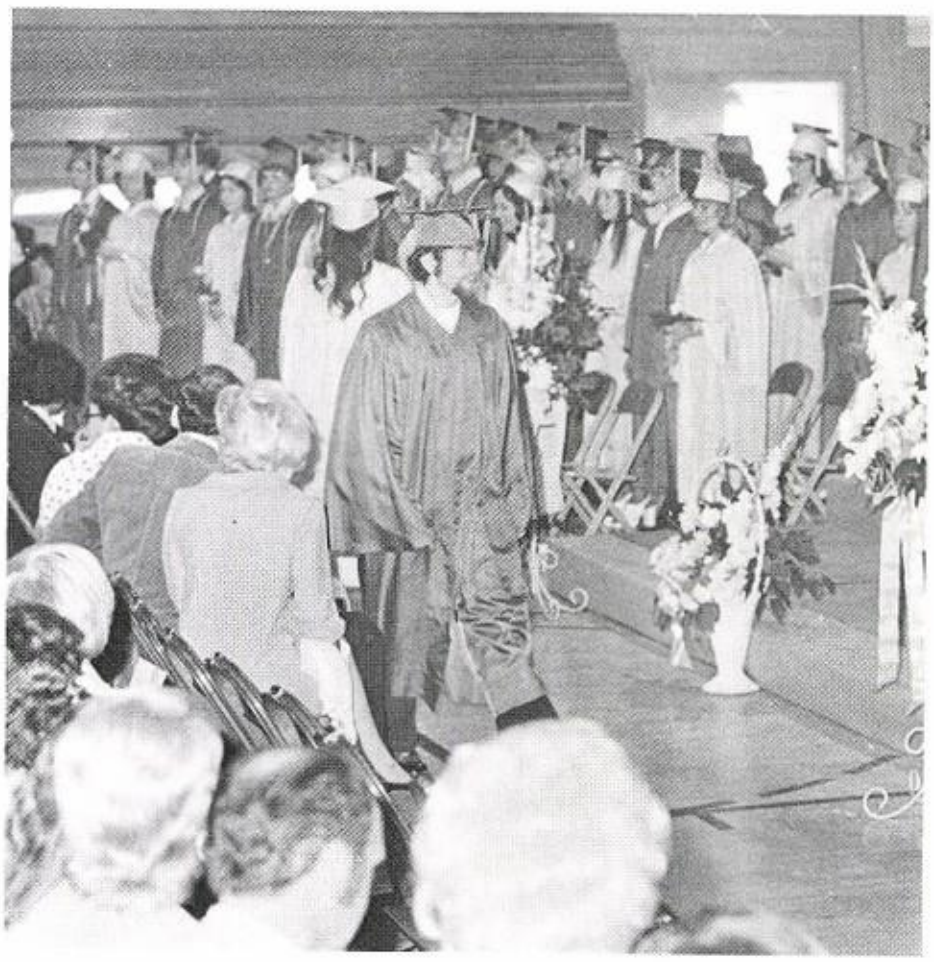
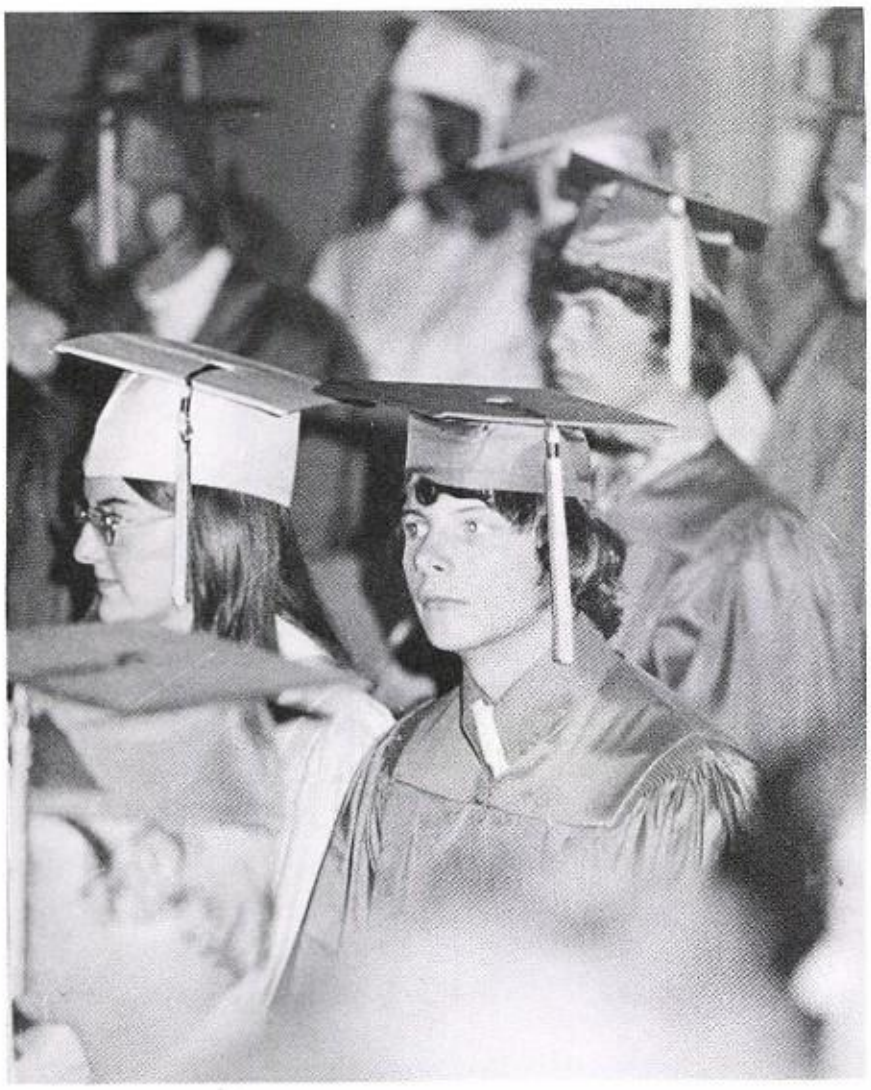
As Time Goes On

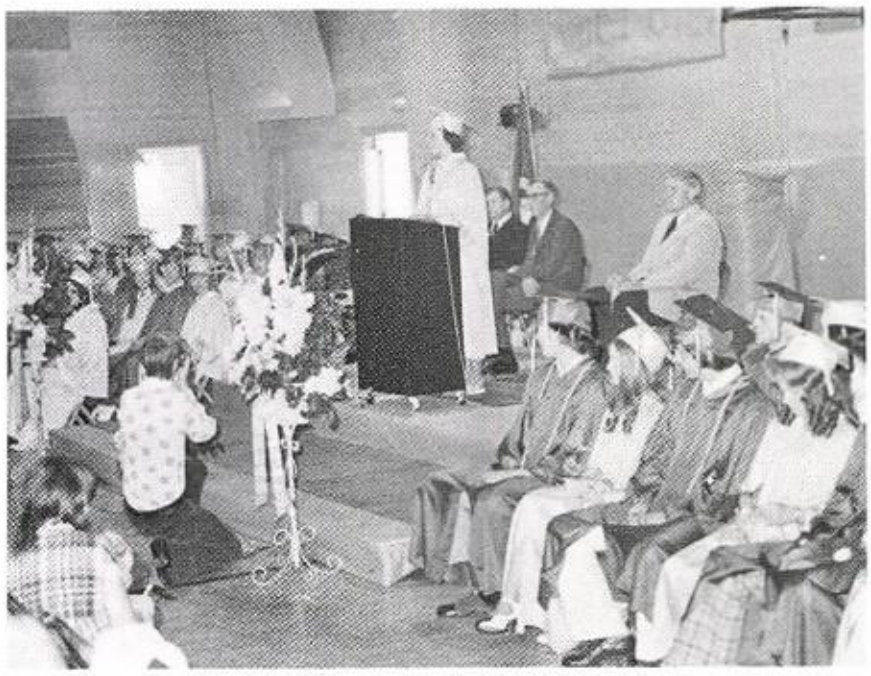




Brian Walker receives the WEA scholarship while below the class assembles for Commencement excercises.



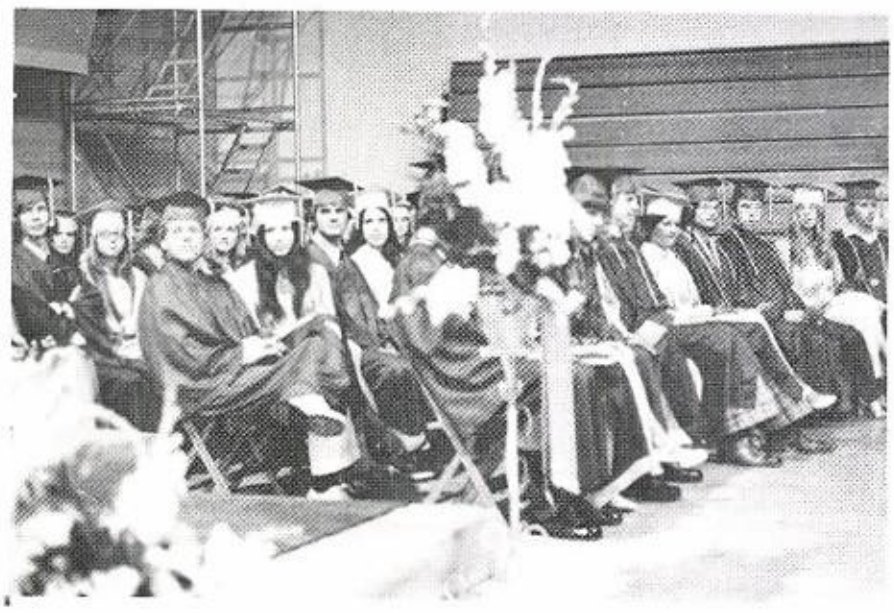


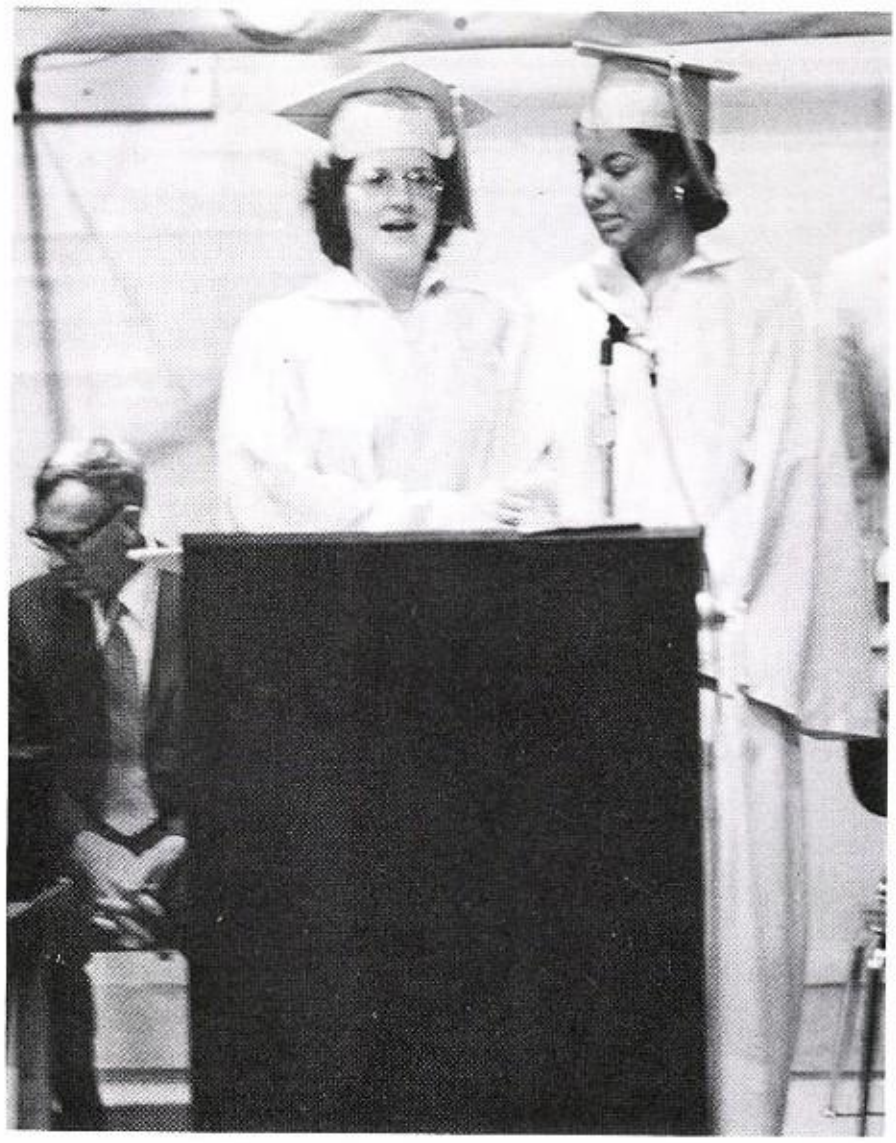


Jeff Nickel impatiently waits for the coveted diploma. While below Tia Hudson receives her awards for the night.

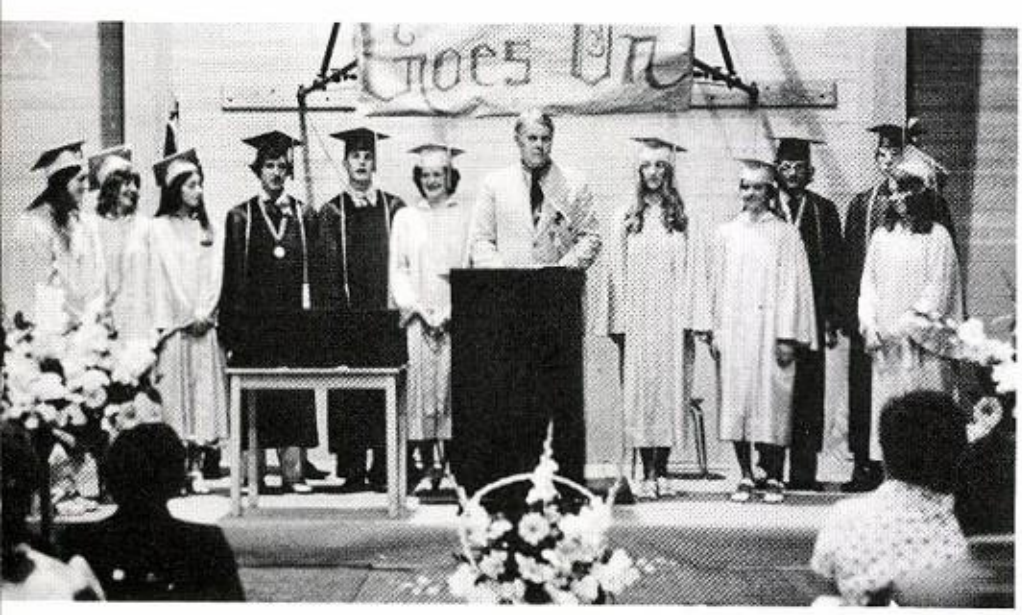
"Praised by their principal to be the 'Top Class' to pass through Washougal High School in many years, the class of 1974 experienced a graduation ceremony Tuesday May 28 that was as unusual and impressive as their four years as a group at WHS." (for Post Record, June 5)

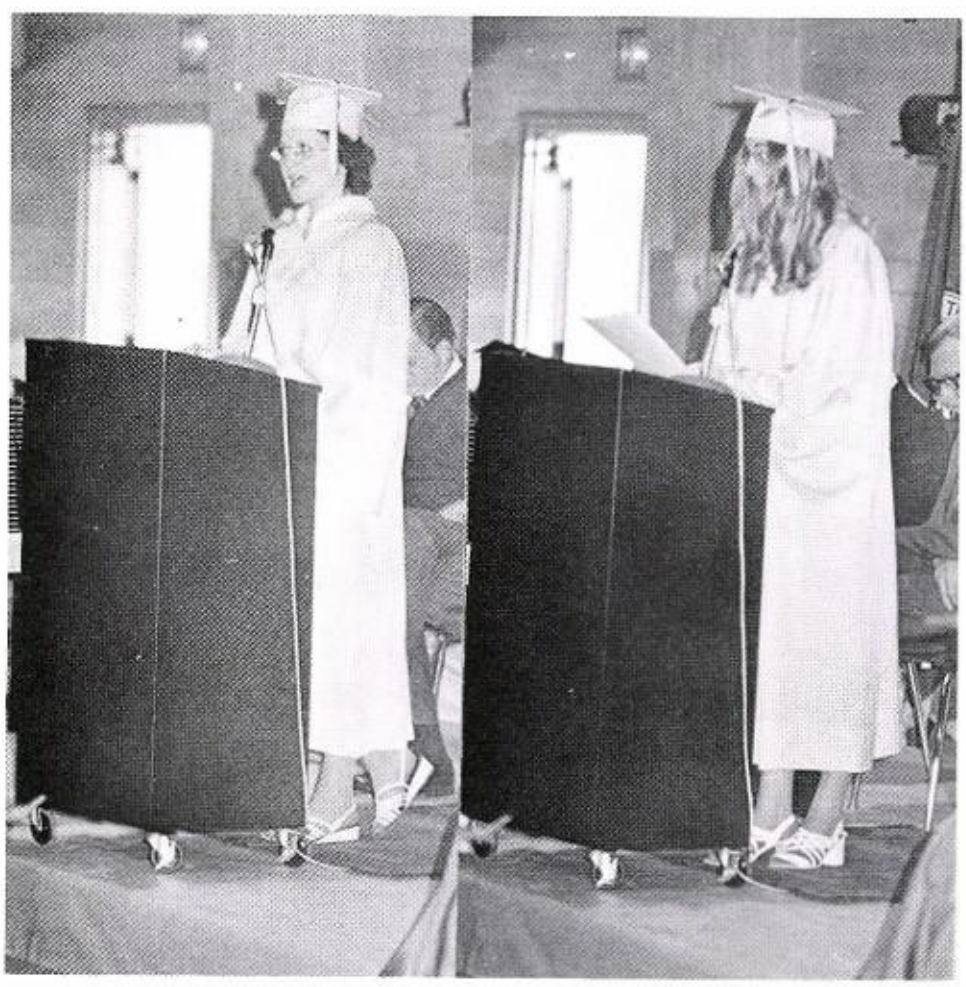
Breaking a tradition that was long standing the class of '74, 111 strong marched down the aisle with their class colors, light blue and dark blue. Besides the breaking of that tradition there was also another non-traditional-type act committed being that of a male streaker, which came forth right in the middle of Karen Cripeins speech on Individuality of her classmates. Valedictorian Patty Thompson also had a speech which opened "we are today what yesterday made us." Following speeches Marianne said goodbye to everyone and thanks to the students. Finalizing the night the class rose to sing the Alma Mater.

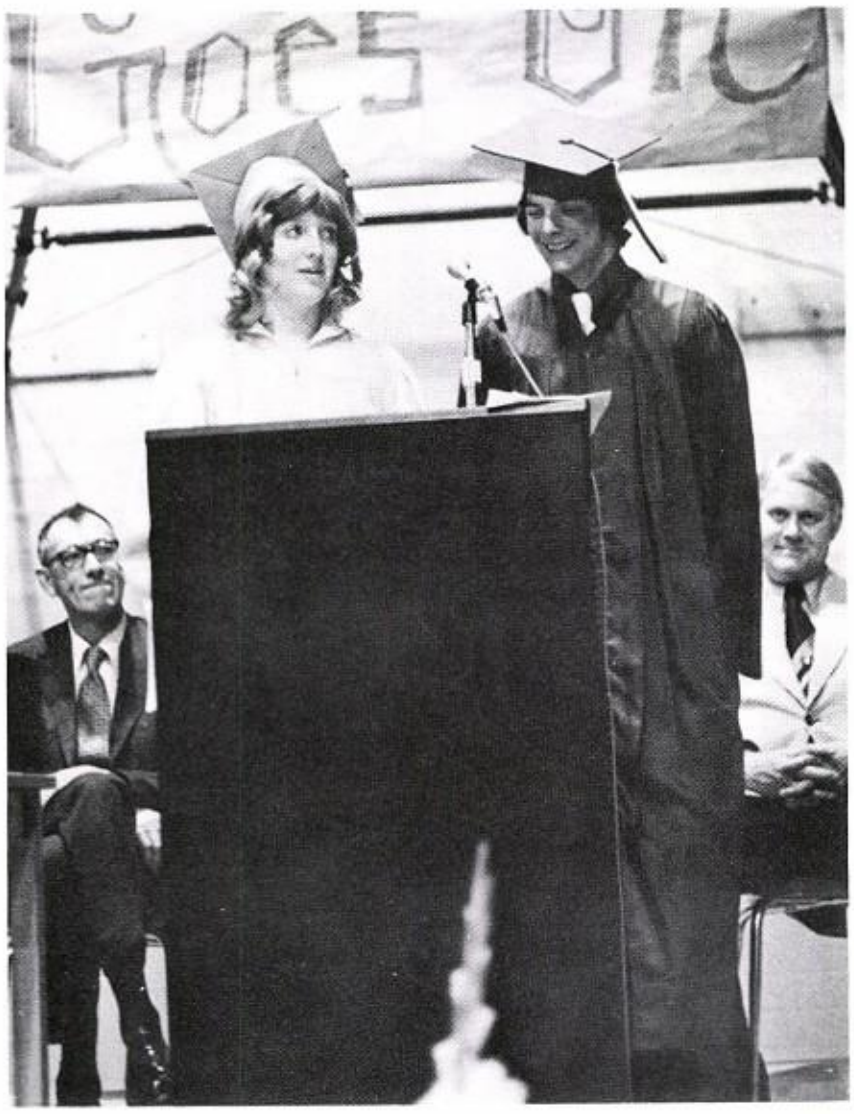




Patty Thompson presents Marianne with a remembrance of her friends at Washougal, BELOW, Valedictorian Patty Thompson and Salutatorian Karen Crispien deliver their speeches despite a few interruptions.







Class Historians Malia Sundby and Jeff Nickel run over many of the past trials and tribulations of their class in the years gone by.
